

CHURCH NOTES.

The annual business meeting of the Second Advent church, in Paddock Village, held on Saturday evening, Jan. 12, resulted as follows: all arrangements were promptly provided for, and the church starts out on another year's work free from debt.

The following officers were elected: Elders, Dr. K. W. Warner and Dr. J. H. Smith.

Deacons, Freeman Allison and Geo. W. Warner.

Sec. and Treas., G. W. Bangs. Church working Com., Denis, Burbank, Enoch Harvey, Mrs. Carrie Clements, Emma Warner and Jessie Heyer.

A unanimous call was extended to Elder C. W. Dockham to remain as pastor of the church another year.

The Sunday school report showed an increase in membership of 49 per cent during the past year. The officers are:

Superintendent, Geo. W. Bangs.

Assistant Superintendent, Geo. W. Warner.

Secretary and Treasurer, Jessie Heyer.

Sunday evening three persons were received into church membership by the right hand of fellowship.

Sunday will be observed as young people's day at the church of the Messiah. The morning sermon will be in keeping with the day. Topic for the evening meeting will be, "Our Union."

The sociable at the South church Tuesday evening was in keeping with the times as the name, "Hard Times Sociable," would signify. Two young ladies were stationed at the door to levy and collect fines upon those who entered not dressed strictly in keeping with the occasion, which act was correctly carried out, rarely any one escaping without being levied upon.

Beans and brown bread were served to all. Miss Stephens read one selection and a piano duet was given by Misses Margaret and Luella Merrill. A copy of Cookery Craft was offered as a prize by the ladies to the one dressed the most appropriately, and was awarded Mrs. Cordelia Caswell. Miss Eleanor Stephens and Edward Gaskell received worthy mention.

"The Story of What I found in my Bible," will be the topic of the lecture next Sunday evening, at Grace Methodist church, by Rev. Mr. Tyrie.

A tasteful and commodious new Methodist church, was dedicated at West Groton, last Monday, by presiding elder, Joseph Hamilton, Rev. Thomas Tyrie, preached the dedication sermon.

At the meeting of the Orleans County Sunday School Association this week at Barton the annual address was given on Tuesday morning, by Rev. Mr. Tyrie. His topic was, "How to popularize the Bible."

Rev. Dr. A. H. Heath and Rev. Dr. Edward T. Fairbanks exchanged pulpits last Sunday.

Mr. Hoyt of Hardwick sang tenor in the South church choir last Sunday and Miss Helen S. Graves sang soprano in the North church choir.

The subject of Rev. H. M. Douglas' sermon at Railroad street church next Sunday morning will be "Ideals of Prayer." In the evening, "The Best Ornaments."

KURN HATTIN HOMES.

The Kurn Hattin Home is the name of an institution established by the Berkeley Temple, Boston, for homeless boys in New England, principally Vermont, Massachusetts and New Hampshire. The Home is located at Westminster, Vt. Boys from 7 to 12 years of age are admitted and kept till they are able to care for themselves. The boys will be fitted for work on a farm, in college, for mercantile and mechanical life as they show some preference.

The field agent, Rev. E. T. Pitts, was in St. Johnsbury last fall and spoke before the Christian Endeavor societies. He is soon coming again and will give an address in one of the churches, presenting the needs of the home. Contributions of money, clothing, books, magazines, etc. will be gratefully received by Miss Helen S. Graves of St. Johnsbury Centre, the secretary of the County Christian Endeavor Union.

The rescue of the "city street urchins" as these boys are often called, is a noble work, and should have the financial support of the public. If left to themselves they early learn the paths to vice, and once learned it is easier to follow than to turn to the right. By taking and placing them in a Christian home at this early age, the promoters of this home hope to save many from lives of crime. The home is open to country boys who desire a refuge from vice and abuse.

DISTRICT MEETING.

A district meeting under the auspices of the Caledonia County Sunday School Association is to be held at Groton, Thursday, Jan. 31, in the Methodist church, forenoon and afternoon, beginning at 10 o'clock. The meeting is called especially for schools in Groton, Peacham, Barnet, Ryegate and South Ryegate. All other schools are invited and everybody will be welcomed. It is hoped there will be a large attendance, as much instruction can be obtained from the meetings.

A NARROW ESCAPE.

Julius C. Salina had a narrow escape last Wednesday evening at the railroad crossing at Hastings bridge. He did not notice the approach of the train until he was crossing the track. The horse was so frightened by the headlight that he jumped forward and threw Mr. Salina upon the track. By a quick effort Mr. Salina was able to get off just as the train reached him. The horse in the meantime had run quite a distance completely demolishing the sleigh. He is to be congratulated on his narrow escape.

Cold weather has started a brisk work for masons in the construction of open fire-places. In this connection a word about wood mantels is timely and may be valuable to our readers. There is no place in Boston, perhaps none in the country, where mantels can be bought at such low prices as at the Paine Furniture Co., 43 Canal St. They sell a charming mantel in solid Oak for less than a low-priced carpenter would charge to build it of Pine.
